Large Laminating Oven

Logo Printing

## Digitally Printed Glass Designs

- Print any pattern, image or singular shape on glass
- UV Proof, Scratch and Weather Resistant
- High Resolution 1440 Dpi Printing
- Available in colour, black and white and sandblast effect designs
- Print at a wide range of sizes from logo prints to 2 meter wall coverings

## Durable Laminated Glass

- EVA-Safe Thermoplastic - more resistant to heat and humidity and more transparent than PVB alternatives
- Can be used in conjunction with our printed glass designs for extra tough but stylish glazing

## Emergency Replacement Service

- Need a replacement? We can turnaround repeat patterns in a week from start to finish with excellent customer support and communication.
